## **FAITH AND FILM LENTEN SCHEDULE**

We are very excited about this year's Lenten series and can't wait for y'all to join us! This year we will focus on finding faith in the movies. We will watch half of a film each night we meet then discuss the theological and ethical dimension in a collaborative way. We hope this experience will help us all think about the media we consume in a more theological way.

Please join us as we begin with a meal and short prayer service, then move on to our presentation.
